LUCA DI MEO

Diplomato alla NABA di Milano, consegno il Master of Arts in Media Design and Multimedia Arts, inizio la mia carriera come videomaker lavorando presso alcuni studi importanti di Milano, ma è con la fotografia che intraprendo il mio vero percorso professionale avvicinandomi da subito al mondo della fotografia architettonica e d' interni, da sempre la mia passione.

Mi specializzo negli anni al segmento del retail e degli ambienti privati spaziando attraverso i diversi stadi del progetto, dal reportage di cantiere fino agli editoriali per le riviste di settore.
